

## **WAR MEMORIAL FIELD ARTIFICIAL TURF RULES**

We are pleased that you have chosen to play at War Memorial Field. We are very proud of our facility and strive to make it a positive user experience for everyone. Please help us take care of this wonderful facility and continue to offer a well maintained modern sports experience all users by following our guidelines listed below.

- Visitor bleachers are not set up for all games. If the visitor bleachers are not available, all spectators are expected to view the game from the grandstands.
- ONLY PLAYERS, OFFICIALS, COACHES, CHEERLEADERS AND STAFF ARE ALLOWED ON THE FIELD.
- All food and beverages with the exception of water needs to be consumed in the Grandstands. If visitor bleachers are available, food and beverages may be consumed on the visitor bleachers because of the barrier placed underneath. Please do your best to prevent spills on the turf while traveling to and from the visitor bleachers.
- Please place all garbage into the trash receptacles. Even micro trash will affect the health of our field surface.
- Please ensure that player's shoes are clean and free of mud, rocks and grass.
- Only boat/trailer parking allowed in the boat trailer parking in the East Parking lot, this is strictly enforced. That means no busses or campers in the boat/trailer parking spaces.
